Iowa Department of Education

School Nurse Services-Local Education Agencies-Public Schools

Basic Educational Data Survey (BEDS)	2007-2008	2008-2009	2009-2010	2010-2011	2011-2012
Number of Public School Districts	364	362	361	358	351
Average Daily Membership (ADM)	485,797	477,019	474,227	465,569	496,009 Includes preschool new this year
School Nurse (RN) Full Time Equivalents (FTE)	487.33	577.8	628	590.66	591
Ratio Nurse to Students % districts reporting a nurse	1/997 67.6%	1/826 no data	1/755 100%	1/788 100%	1/840 100%

Note: The 2011-2012 BEDS report identified 573.64 FTE lowa School Nurses. Thirty-three (33) districts contracted outside the district for nurse services. Contracted school nurse services not reported in the BEDS and reported following an email request equal an additional 17.05 FTE nurses, for a total of 590.69 FTE school nurses. The average School Nurse salary, not including the contracted services, was \$33,600. Student population included preschool children for the first time resulting in an ADM increase and an increase in the average number of students each school nurse is responsible for to 840 P-12 students per nurse.
